Price Preference System

On 10 May 2013 the Minister of Economic Development issued a trade Policy Directive to the International Trade Administration Commission of South Africa (ITAC) in terms of Section 5 of the International Trade Administration Act, 71 of 2002, (ITA Act), that ITAC exercise its powers under the ITA Act to regulate the exportation of ferrous and non-ferrous scrap metal. ITAC established a Price Preference System (PPS) pursuant to which it would not authorise the exportation of ferrous and non-ferrous scrap metal unless it had first been offered for sale for domestic beneficiation, to the domestic consuming industry, for a period and at a price discount or other formula determined by ITAC.
